

Divine Satsangs

with Sri Svami Purna Maharaj in Rishikesh, India

March 14th - 18th, 2018

We invite you to a special time of Satsangs in Rishikesh, India with Sri Svamiji. "Satsang" is a Sanksrut word derived from two words: "Sat", which has many meanings, including existence, reality, the highest truth, good and virtuous; and "Sang" meaning association (with others), company. This time will be a more relaxed format together where we engage in practice by the Ganga and enjoy receiving

the Teachings in a more intimate setting. The relaxed setting can enable more exploration in a beautiful and uplifting unique ambiance so that the dialogue can allow more unfolding of spiritual understanding.
